Universal Journal of Public Health

Universal Journal of Public Health is an international peer-reviewed journal that publishes original and high-quality research papers in all areas of public health. As an important academic exchange platform, scientists and researchers can know the most up-to-date academic trends and seek valuable primary sources for reference. The subject areas include, but are not limited to the following fields: Public Health, Behavioral Medicine, Adolescent and Child Health, Dental Hygiene, Diet and Nutrition, Environmental Health, Epidemiology, Medical Microbiology, Health Care Providers, Health Education, Health Care Delivery, Health Policy, Health Services, Insurance Medicine, Infectious and Chronic Diseases, Occupational Health.

General Inquires

Publish with HRPUB, learn about our policies, submission guidelines etc.

Email: editor@hrpub.org

Tel: +1-626-626-7940

Subscriptions (Electronic Version Only)

Journal Title: Universal Journal of Public Health

Journal's Homepage: http://www.hrpub.org/journals/jour_info.php?id=76

Publisher: Horizon Research Publishing Co.,Ltd

Publication Frequency: bimonthly

Electronic Version: freely online available at http://www.hrpub.org/journals/jour_info.php?id=76

Online Submission

Manuscripts should be submitted by Online Manuscript Tracking System (<http://www.hrpub.org/submission.php>).

If you are experiencing difficulties during the submission process, please feel free to contact the editor at submission@hrpub.org.

Copyright

Authors retains all copyright interest or it is retained by other copyright holder, as appropriate and agrees that the manuscript remains permanently open access in HRPUB 's site under the terms of the Creative Commons Attribution International License (CC BY). HRPUB shall have the right to use and archive the content for the purpose of creating a record and may reformat or paraphrase to benefit the display of the record.

Creative Commons Attribution License (CC-BY)

All articles published by HRPUB will be distributed under the terms and conditions of the Creative Commons Attribution License(CC-BY). So anyone is allowed to copy, distribute, and transmit the article on condition that the original article and source is correctly cited.

Open Access

Open access is the practice of providing unrestricted access to peer-reviewed academic journal articles via the internet. It is also increasingly being provided to scholarly monographs and book chapters. All original research papers published by HRPUB are available freely and permanently accessible online immediately after publication. Readers are free to copy and distribute the contribution under creative commons attribution-non commercial licence. Authors can benefit from the open access publication model a lot from the following aspects:

- High Availability and High Visibility-free and unlimited accessibility of the publication over the internet without any restrictions;
- Rigorous peer review of research papers----Fast, high-quality double blind peer review;
- Faster publication with less cost---Papers published on the internet without any subscription charge;
- Higher Citation----open access publications are more frequently cited.

Universal Journal of Public Health

Call for Papers

Universal Journal of Public Health is an international peer-reviewed journal that publishes original and high-quality research papers in all areas of public health. As an important academic exchange platform, scientists and researchers can know the most up-to-date academic trends and seek valuable primary sources for reference.

Aims & Scope

- Public Health
- Behavioral Medicine
- Adolescent and Child Health
- Dental Hygiene
- Diet and Nutrition
- Environmental Health
- Epidemiology
- Medical Microbiology
- Health Care Providers
- Health Education
- Health Care Delivery
- Health Policy
- Health Services
- Insurance Medicine
- Infectious and Chronic Diseases
- Occupational Health
